THE BAND

Ed Sheeran

Ed Sheeran, a British singer-songwriter, has achieved global superstardom. He began his career busking on London streets, independently releasing EPs and building an online following. His debut album, "+" (2011), featuring hits like "The A Team," propelled him to fame. Subsequent albums, "x" (2014) and "÷" (2017), produced chart-topping singles like "Thinking Out Loud" and "Shape of You." Sheeran's live performances are known for their intimate and energetic atmosphere. He has embarked on extensive world tours, selling out

A photograph of a concert at night. A male performer with light brown hair, wearing a plaid shirt, is seen from the side, playing an acoustic guitar on stage. The stage is illuminated by bright lights, and the background shows a large, dark crowd of spectators. The overall atmosphere is energetic and festive.
